

Technical Assistance and Consulting Services

QUADEL CONSULTING CORPORATION is the national leader in providing outsourced management, consulting and training solutions to the affordable housing industry.

Since 1975, Quadel has enhanced the capacity of thousands of state, local, and federal agencies and for-profit and nonprofit property owners and managers to achieve their affordable housing mission.

Our clients benefit from Quadel's housing program knowledge, operations expertise, technology solutions and commitment to client success.

*Quadel provides
expertise to
drive organizational
transformation and
excellence.*

Public Housing Agencies across the country are reevaluating their **traditional organizational and financial structures**, and rethinking how they do business. Quadel delivers consulting solutions that assist PHAs in transforming their organizations. We provide specialized expertise to augment your agency's capabilities. Our services include:
