QUADEL CONSULTING

Is the national leader in providing outsourced management, consulting and training solutions to the affordable housing industry.

Since 1975, Quadel has enhanced the capacity of thousands of state, local, and federal agencies and for-profit and nonprofit property owners and managers to achieve their affordable housing mission.

Our clients benefit from Quadel's housing program knowledge, operations expertise, technology solutions and commitment to client success.

Quadel is your
roadmap for *assuring
regulatory compliance*
in developing and
managing a RAD PBRA
or PBV project.

Quadel, Public Housing Authorities and Multi-family property owners, agents and developers of HUD's Moderate Rehab, Rent Supplement and Rental Assistance Payment projects understand that RAD is a key component to furthering HUD's mission of maximizing and sustaining the nation's supply of declining public and private affordable housing stock. Quadel provides consulting, training and direct management services that maximize the benefit and minimize the risk of your organization's RAD conversion project.

Our clients include investors, syndicators, owners, developers, management companies, state housing finance agencies, public housing agencies, and non-profit organizations. Quadel's expertise will help your organization navigate the complex requirements associated with RAD conversion.
